“ When my dad got killed my older male cousins stepped in as the male role models for me, Frankie was one of them (Uncle Juan, Jeff, Larry) he was Uncle Frank to me. I will truly miss our days on the porch and our conversations, the family history stories he filled in the blanks with I'm going to miss his phone calls more than that I'm going to miss his love and presence. Shantel, Kim, Aunt Joyce, all his siblings and Our Family as a whole; PRAYERS REMAIN AIRBORNE. I LOVE YOU Grace and Peace. Damita Jo
