“AUNTIE”

How do you say "goodbye" to one's who's meant so much.  
To say you'll always be remembered and we miss your loving touch.

You brought us up and stood by our side,  
Your love for us and your love in us, will truly abide.

My heart's so full and my tears fall fast,  
For Auntie's gone and only our love will last.

She was different things to each of us, through the good and the bad.  
Auntie took you and comforted you even tho, she too was sad.

She leaves us with her courage and strength to carry and to give,  
Just as she did, we know we will as long as we shall live.  
Tho she's not here, I hear her still I always will.

I look at you and I see her in you,  
For she's left each of us, something to hold on to.

She gave us an example how to love unconditionally,  
That gift she gave so willingly.

Thank You Auntie, Thank you for you been a sister, step mother, friend and family.  
But most of all, you been to all our Beloved, and Dearest "Auntie".
