“ I offer my deepest sympathy to Kamae and all of Sherrie' family. She was one of the sweetest people I had ever met. She came to Bridgehaven with a big and open heart and quickly won many hearts in the process. Sherrie always put a smile on her face and was ready to offer a compliment even when she was not feeling her best. She also always made an effort to look her very best even if she was not feeling well. She was kind and loved hugs and her pink lipstick. We will miss you, Sherrie.
