“ To the Broadnax family, we are sending our heartfelt condolences and prayers at your great loss! Your family became my family when I first moved to Ohio in 1986. The legacy of love Vernon leaves is a result of your strong family ties. He will always be close in heart and spirit! May you be comforted and strengthened by The Lord our God, the support of family and friends, and your many wonderful memories of a life well lived and a beautiful soul well loved!!! We are praying for you!!!

“ I'm still in shock that my sister Loretta and our family will never get to see you again. You were always very kind and nice to me and the family. You treated my son like he was your own. You touched all who knew you. Rest in heaven. One day we will see you again.
Love always, Cynthia Bean.
