“ I remember meeting up again after years of not seeing Alexis! I had thought of her and her siblings over the years from living on Harding street (the village)! We immediately stayed in contact and she encouraged me the entire time while making the move to Texas!!!! She even offered to get me on at her job! We would always stay in contact through Facebook and just missed each other earlier this year when she came to Plano! I am really gonna miss seeing her living life to the fullest and posting the trips she would take! Get your rest Alexis! We'll meet again one day❤️! Sending lots of prayers up for her daughter 🙏
