“ Uncle Al,

*Thank you for your quiet strength, constant encouragement, and unwavering faith. You taught us what it meant to love God and family. We can't begin to express the weight our hearts are carrying since we got news of your passing. Our hearts are broken with grief, but we know you are with your savior. As much as we love you, Jesus loves you infinitely more and received you in his arms the moment you drew your last breath. We know we will all be reunited on those celestial shores where death, weeping, and sickness will be no more. We love you.*

“ Uncle Al,  
Thank you for your quiet strength, constant encouragement, and unwavering faith. You touched so many lives and made a big impact for Christ, especially within your family. We can't begin to describe the weight we have felt in our hearts knowing we can't talk to you again on this side of heaven and be in your presence. But we know as much as we love you, Jesus loves you infinitely more and received you the moment you drew your last breath. We celebrate that you are healed and no longer struggling. We look forward to the day we can join you and all our dearly departed on those glistening celestial shores where death, sickness, and weeping shall be no more. We love you.
