“ *My sister my sister ... my heart is so heavy I never imagine the day would come that our journey on earth together would take different direction. I understand this part of the journey but it doesn't make it any easier since I'm left behind with out you physically by my side. I miss you but I know you are rejoicing with the Angels of the Most High enjoying being with Granddiddy, Grandmomma and of course Tasha. I love you Sweet Pea and I rejoice knowing you are now healed.*
