“ I was so sorry to learn of the loss of Mother Kelcy. She was never afraid to 'tell it like it is' and I will forever remember the "red lipstick". I only wish that I had known sooner about her passing so that I and my family could've sent our condolences in the way she deserved. I am so terribly sorry for your loss.

“ Gail Ray an I are so sorry to hear about your mother. We only met her briefly but we know how very precious she was to you and your family. We have both shared this experience and know how very difficult and draining it is. So, we will be lifting you and the family up in prayer and want you to know that the comfort and guidance of the Holy Spirit will be yours. Just know that eyes have not seen and ears have not heard what the Lord has for your mother in the place that He has prepared for us! That is our hope in Glory because of what Christ did for us all.

“ Mrs. Alice was one of my favorite people, she always called me her other daughter. To the family, you are in my prayers and know there is no sweeter place to rest than in the arms of the Lord.

“ Mrs. Kelcy was a beautiful woman that we all loved being around. She was kind, caring and always smiled. She loved the sour cream pound cakes that I baked whenever she came to Houston. It is easy to see why God selected her as an angel and rewarded her with eternal life in the kingdom of heaven. She was a blessing to everyone who knew her. God Bless Mrs. Kelcy and her family.
