“ Sending my heartfelt condolences to Lisa’s family and friends.

*This loss hit me a little hard. I grew up with Lisa’s uncle’s Boe Banks and Lorne Gerton who often babysit Lisa at Ms. Mary’s house. We all shared some beautiful fun times together; they were like family. Boe and Lorne taught Lisa how to play basketball. We would throw the ball to her all day while she hit jump shots and 3 pointers, one after another. She was destined to be the great ballplayer she was. Another fond memory was my sister, and I would take turns shampooing Lisa’s beautiful sandy blonde hair after she sweat it out from playing ball all day. Later years I would run into Lisa every now and then, she always had her signature grin on her face, she grew up to be a beautiful young lady. I will always cherish our precious memories, her sweet face, and beautiful smile. Rest in peace “Lele”

“ My condolences to the family. Lisa was very easy going and had a beautiful spirit. One of the most iconic hoopers to ever lace 'em up in the city. May her soul rest in peace.

“ My condolences to Lisa's family. I admired her at a distance from the first time I saw her, for her beauty and her ball skills. Fast forward some years and I had a chance to meet her and we became friends. Getting to know her I learned about how special her spirit was. May your soul rest in peace Lisa.
