“Uncle Lonnie Spencer” this is just so hard to believe. Meeting you as a little girl I can remember you brought me my first bicycle and boy was I surprised, then my first ride in that white corvette that I loved so much, and so did you. Over the years as I grew older I can only remember great happy memories you were the nicest person anyone could ever meet not mean bone in your body you will be missed dearly by all. most definitely by your close loves one. Till we meet again

“Alonzo “Lonnie” was a wonderful friend. My wife, Carrye, and I will never forget him. Just last month, he helped me do some repairs to our deck. God bless his memory.
