“ Alvia and I worked together at the bus compound for many many years together. I remember the days we went shopping together running around before we had to head back to work. Alvia will truly be missed the last time I spoke with Alvia we were talking about we still haven't got together to go out to eat,I was so stunned to have heard of your passing and I'm so sorry that we never got tge chance to hang out one last time. Gone but will forever always be in my thoughts. I will see you again on the other side.
Welcome to your new home.

“ Cousin Alvia had a beautiful spirit. She was very kind and loving and took the time to check on family members, such as my mom, at a time when the world is so disconnected. Though she has left this world too soon, we are thankful for the years she had on this Earth to spread love and joy to those around her. May the Lord comfort her siblings and all those who are grieving her passing.

“ *I will always remember that Alvia was a worshipper. As I would pray to close out our time of praise she would be standing eyes closed and hands turned upward to receive from the Lord.*
