“ *With Prayers and Sympathy to the Porter Family from the Clay Family:*

Dani Porter was such a blessing to many with her kind demeanor, gentle humor, and astute guidance, as she rendered compassionate services to those in need. Our family greatly appreciated the caring assistance she provided to us when our beloved mother made her transition. The words of Elton John come to mind (and I paraphrase) "she was the grace that placed herself where lives were torn apart." She was a kind and loving spirit who embraced her mission on earth with alacrity; she did what she could with grace and aplomb. Mission accomplished, Dani has entered into eternity; now she calls Heaven her home. She will be forever missed by loved ones she left behind, and life will never be the same; yet, take heart Porter family, and look to the Heavens, as shining stars spell out Dani's name. God bless.

I stood in a line that took well over 1.5 hours to view & people were still walking in. What a Lovely Young Lady for I'm sure she had many plans with her life. “ *To The Porter Family:
Dani had a great personality, great smile, very resourceful but just a young black woman with many talents. I know the Porter Family have a long history in this community but Dani set the bar for achievements and always lead by example. Dani had the opportunity to work with our daughter and both our children were able to receive full scholarships to attend college, we are truly grateful. Dani is in heaven assisting in God's kingdom with all her love ones around her, you will see her again in spirit plus Dani left a legacy. May God bless you and keep you in his ever loving arms.*
