“ To the family of andre I would like to express my sincere sympathy in the passing of you son. He was such a joy to know and a wonderful young man. Andre always talked to me about his children and family. All the co workers at the Northrop Grumman Corp who came in contact with Andre are deeply affected by the loss. Just know that your family are in my prayers and God picks only the best flowers for his eternal garden. I will miss Andre.

“ My Dear Friend, We have shared a lot of good times, and good laughs from High School, prom up until recently, and we have always had a special place in each other's hearts. Although I am saddened that you have departed this life, I find solace in knowing that you have earned your wings, You are no longer suffering, and you are in the presence of the Lord. I thank God for sharing you with us! I will never forget the joy you brought to my life and will forever hold on to those memories! I pray for your children, Ms. Wanda and all of the fam that God comforts them during this time of grievance, and I also know that you will be watching over them to let them know that you are ok because that has always been a character trait I love about you and will never forget...that you care for your people. I Love you to my soul!! Your Friend~Nic~
