“ *Onnie was the sweetest soul you'll ever meet. Every time I saw her, it was always love. Praying for her husband, children and grandchildren. Love you cousin, Onnie.*

“ *It's not easy losing you so unexpectedly because I knew your plans for the future. I will miss calling you, riding with you, laughing with you and sometimes crying too! You are with me always... my first Louisville friend since moving here. Onnie, you felt like my Sister! I wanted to see you to celebrate our birthdays together but you were always ready to answer God's call. I think of you and your family as family and I'm blessed to have such warm, happy memories of good times together... Even in difficult times, Thank you! You're a light of love...love for God, your Husband, Children and the Community. Your legacy and lessons of devotion, generosity and discipleship live on. You didn't play when it came to your family and friends! You led with your heart and you're spirit was so kind. Well done, my Friend... I miss you Big and love you Bigger!!!! I'll see you again someday.*
