“ I remember Yvonne from the days of growing up at Broadway Temple AME Zion Church as active members of the children and youth group and choirs. Fast forward to reconnecting as adults with our own families and careers. We were able to reminisce about our life and all that we learned. The last time that I recall was our weekend girls' trip to Butler State Park. What fun we had with Carolyn and Blanche and memories that will last with us forever. Rest in peace my friend.
