“ Andi, you always reminded me of a star gazer flower, tall, beautiful, always so colorful, and your vibrant personality so full of fun & life. Your smile always showed that you were an open person who enjoyed life to the fullest. I'll miss that. Though we didn't see each other often, when we did we always had a good laugh, about us being standouts, in our dress & how much we loved color, & our taste in the same clothes. You loved your husband & sons. We were blessed to have you in our presence & now GOD has an even more beautiful flower in his garden of Saints. I'll miss you much, think of you often, & pray God give comfort and strength for your family.

“ Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. Friends are the pillars on your porch. Sometimes they hold you up, sometimes they lean on you, and sometimes it's just enough to know that they are standing by. Praying for your family during this time.

“ It is hard to believe that you are gone, it seems like just yesterday that we laughed and talked. I will keep that conversation forever in my heart. To her family I know how hard the loss of a loved one can be, in those really hard times think of the memories that bring you joy & hold on to them, let them heal the hurt. Praying your strength .
