“ My sister, I can't believe you are gone. My heart is breaking. My last memory of you was when we were sitting in the car talking. I remember when we were small and my mom kept you, we were next door neighbors and we grew up as sister and brother from another mother. I will always hold you close to my heart. Take your rest sister. I will miss you. Absent from the body present with the Lord. Love your brother Aaron Lee❤️
