“ To the Neil family , Thank you for sharing Mrs. Neil with us. Words can not describe her kindness and loving heart. Her beautiful spirit allowed us to see God's unconditional love for people. Mrs. Neil taught more than dance. She sowed seeds of encouragement, a foundation of character building and showed us the power of God. She was a true vessel used by God to bring hope, joy, faith and love to those she touched. We will miss her warm and loving hugs. May God comfort you during your time of loss and know that Mrs. Neil has left a legacy of love throughout our community. Peace & Blessings, Bailey Family

“ Aunt Nita shared her love of dance with so many. It was always a joy to watch my children, Adia and Jelenah, and my nieces, Katina and LaToya, dance at the recitals. The dance lessons taught them discipline, stage presence and gave them confidence to present themselves to the world at a very early age. Her gift was blessing us all with a love of and appreciation for dance of all kinds, from ballet, to tap, jazz, African and liturgical. She gave us joy and showed us that we can dance at any age and use our love of dance to praise the Lord. Our prayers are with her family and the host of loved ones who will miss her and remember her always with love, just as we will. "There is a time for everything, and a season for every activity under the heavens: a time to be born and a time to die, a time to plant and a time to uproot, a time to kill and a time to heal, a time to tear down and a time to build, a time to weep and a time to laugh, a time to mourn and a time to dance," Ecclesiastes 3:1-4 (NIV)."

“ It all started in the late 1960' when I took dancing. On over to the 1990's when my baby, LaVette took dance lessons as well. Yes , 2 generations. I enjoyed becoming the dancers "house mom"/ secretary and bookkeeper for 10 yrs. There will be a place in my heart where you will dwell. I will view some of the videos from time to time. Owen, thank you for opening your doors to many at sleepovers. Call the name JESUS, for there is POWER in his name.

“ I can never forget all that I was taught being in her presence. She believed in me even when I didn't. That's just how she was with everyone she seen pass the present and pushed us to be great dancers. She taught us to be professional and have fun. She had me sing in one of our step shows just because she was told i could sing and she believed in me I've been singing in front of people every since. The front row in the parades were always an honor and if she moved you trust me it was a reason that may or may not had anything to do with you but the look she gave you just knew you better do what she told you. Thanks Mrs Neal always being strong, and consistent in many generations you changed our worlds forever #rocknette #dancer
