“ *It was an honor to take care of Mom this last year, though she was in two different facilities, I was able to spend most days with her. She really surprised a lot of people. She was more than my mother-in-law, I was often mistaken for her daughter, which she actually had none. But I treated her like my mom and she treated me like her daughter. God knows what every life needs; and being graphed into this family was a blessing double fold. Thank you Mom for the privilege of knowing, understanding, and honoring you as Mom! Rest in Jesus... I hope my memory is correct, but I believe she was one of my Sunday School teachers, but I do have fond memories of her. I am so sorry for your loss.
