“ Anna There are no words to explain right now, BUT GOD. You have been the daughter any mother would want to have and you've done everything you could do, but that won't heal your pain, BUT GOD. Hold onto GOD because HE will never leave or forsake you, and remember BUT GOD....I love you.

“ Anna and family, We are deeply sorry for the pain you & your family are feeling right now and the many tears that fill your eyes. Cry whenever you want because she is worth every tear. Your silent tears tell the many stories of how angelic Ms. Annie was to all of her family, everyone she knew and met. She was a stranger to no one; instead ALWAYS an inviting smile & loving heart to all. I pray God's comfort and peace for all of you during this difficult time. Take solace in knowing that your earthly angel received her wings; she has taken flight and will now watch over you. We love all of you beyond words. Karol Bates & family

“ Grandmommy, it's been a long time. I hate to hear of your passing, but angels can't stay here forever. I wish peace to your family in this time of sorrow. I remember your Chess pies, they were world class. How you used to make a plate of bacon and take all the fatty parts out because you knew I didn't like it. How you used to send us home with full packed lunches and cake when Deanna and I would come to visit you. You were as sweet as your pies and I thank you for your friendship, unconditional love and will miss you dearly. I love you Grandmommy. Until next time...

“ Anna, just want to say that you have always been the encourager for all who are dear and close to you. Now the encourager needs encouragement. You are such a strong, God +fearing woman and at this time you may not feel so strong and that's ok. God will build you up and comfort you as you deal with the grief of the loss of your mom. My prayer is the holy Spirit gives you comfort and peace during this time of heartache. Remember that with Time brings Healing, with Healing brings Strength, with Strength brings Comfort, with Comfort brings Peace. I love you my sister. God bless you

“ Miss Anna was a bright star in my life. She always had a wonderful word for me and my Aunt Dottie. She was like a second Mom to me and a great friend to my Aunt Dottie. She loved and loves us unconditionally and we will miss her always. We carry her light filled smile with us forever. I hope that she will continue to watch over me now as she did before God took her home.
