*May your spirit soar in freedom  
From the fears that gripped so tight.  
May you find the peace you searched for  
As you wandered, lost, in the night.*

*May your tortured mind be clear and calm  
And your tender heart be warm.  
May you have no need for strength now.  
May there ne'er be another storm.*

*May the music of the angels  
Be the sweet sounds that you hear.  
As you're rocked in Heaven's cradle  
May you ne'er shed another tear.*

*I'll wear your memory proudly,  
My brother..  
May my love for you reach Heaven above  
Until we meet again.*

“ *RIH big brother, GOD got you now. You don't have to hurt or worry anymore. You are at peace now. Get some rest, and know that I love you with all my heart. I am so very happy that we got to spend the last years of your life together. I learned so much about you and from you, and I thank GOD for that. You will truly be missed. Love Always and forever.*
