“ Was really saddened by news the Monday I heard of this. Especially after recieving an email from him days before. Puryear and I were stationed at Fort Stewart/Hunter Army Airfield long ago. We met through a mutual friend, but when I moved to Hardin County and he learned of her death in 2010, we reconnected (as many soldiers do). We used to chat here and there, and sometimes go to lunch. So, it really touched me to hear the sad news about he and his wife's struggle and what has happened. My heart immediately was weak for the children. He truly loved his family. Our chats will be missed and so will he. My condolences to the families.

“ My deepest sympathy to everyone, parents, siblings and most important the children. I'm so very sad as it was great to work with Tony. Even after I left due to medical, Tony would text me 2-3 times a year to say hello and wish me a good Holiday or a happy Mothers day. Also, send me pics of his daughters. He loved his wife "Shannon" and truly y devoted to their children. My deepest sympathy and I'll always keep Tony in prayer. A great guy.

“ My counselor, motivator, and friend of 13 years there are no words that truly express how I feel. I am empty and a piece of my heart has gone with you. We met at Knox, and you always were concerned about me and my well being. Your smile was infectious and you forever had me smiling and laughing. Through the ups and downs you were lovable. You had a beautiful soul, a heart of gold, and an internal light that no one could extinguish. You loved your family and your children were your heart. My deepest sympathy and love goes out to your children, mother, siblings, and family. Rest easy my angel, love and life will never be the same. Forever in my heart, I love you.
