“ We used to talk all the time when you were working those late runs. Never did I think our time was as limited as it was. You had a never ending smile that I will remember. Rest up..Damane Lyons

“ Antonia was the sweetest person. I knew that she had me wrapped when she subbed with me. Every time I saw her I saw a smile. If she wasn't feeling it I didn't know it. I didn't get to see her much considering our schedules at Tarc. But when I did see her she was always so nice and pleasant. I'm going to miss you kid. Sleep peacefully. My condolences to the family.
