“ Moss hope you and your family are doing OK. The loss of a child has to be the hardest thing for a parent to come to grips with. I always think of you and your family with the best of memories, hope you can do that with your son. Hank

“ I was numb when mom called me about Junie passing. All I could say was "Junie who" because I didn't want to believe it was Junie Moss. All I have is fond memories of our growing up together and how kind, sweet, and funny Junie was and that beautiful smile. I guess God needed another angel. Rest in peace Junie!
