“ Carol, I know it is hard to say goodbye. For all apparent reasons we know why. Even though we agree that death must be. Ever heart will someday cease to beat. When life's work is done and silence, we meet. Though the sun has now set I see you wish for 1 more time, another smile things that will never come but hold on to your memories & never forget. And when you tried to tell me you felt your time was drawing near I'm tired you said, but those words I didn't want to hear. When we asked you to acknowledge by squeezing our hand that you were at peace and ready to go I'm still sadden that death is a part of life yet I'll remember that day forever more... Praying for you Carol,, Adrien & Family & if I can do anything, please let me know... , II Corinthians 4: 17-18 7 For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. 18 So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.
