“ Barbara was such a beautiful person. Knowing her from a professional side, she embraced me with open arms and mentored me throughout the years. Talking to her daily on the phone, she become a friend and will always be remembered for her sweet voice, her laugh when I would say something silly "oh Katie", and always willing to help. I will miss working with her at the and praying for all of you.

“ Aunt Bootsie was a light in our world. It's so amazing to grow up with family everywhere and no matter the distance, when you get together again it's like no time has passed at all. My heart is truly saddened but I know that she's resting in the arms of Jesus. Our family will forever be kept in my prayers. I love you all very much.
