“ *Being one of the Matriarchs of the Louisville Branch of the Daniels Family, we all have fond memories. Before I would get on the road for Western Kentucky University, she always reminded me to pay her a visit. She would have a box full of food. My favorite would be the peach or blueberry cobbler. Last but not least, she always made sure I had some money for my pockets.*

Aunt Barbara Jean maybe gone; However, she will never be forgotten. Love you forever!
