“ I am so sorry for your loss. Ms Bell was a wonderful person..She will be missed!! Every time I saw her I was greeted with a smile and 'Hey Pretty Lady'. I am sad that I did not get to see her lately due to me working from home. She was always so proud of her family. She spoke of them often. She was such a happy and kind person.

“ A pure and beautiful soul. I am so sad to hear of Ms. Bell's passing. Every time I saw her she had an uplifting word; brief but powerful! Her obviously deep relationship with God encouraged me, and she encouraged my faith often. I'll miss her greatly!

“ Ms Bell Loved Breakfast from Chick-fil-A which we shared in the EEO office quite often when we were alone. She called me often to see how I was doing in my retirement, such a thoughtful lady, miss you Ms Bell

“ Ms. Bell was like my work grandma. She stopped by the credit union everyday to make sure I had everything I needed and was drinking my water. I sure will miss her daily greeting of Happy whatever day of the week it was and telling me to have a blessed day. I know she's greeting the angels in heaven the same way. She spoke so highly of her children and my heart goes out to you all.

“ Greeting Ms. Bel at work each day was indeed a ray of sunshine on a cloudy work day. She seemed to raise your spirits with words of faith & encouragement. She will be remembered & greatly missed. May she enjoy the everlasting peace she strived for each & every day.

“ Ms. Bel blessed my family and me with her smile, her kindness, and her loving care of both my daughters at Children's Edition Child Care in the late eighties and early nineties. I am forever grateful to her for being such a positive part of my children's early life experiences. Many years later, when I started working in the Federal Courthouse, I just happened to see her and recognized her immediately. She was just as beautiful and friendly as I had remembered. Ms. Bel brought brightness to so many people, and her light will shine on in my memories of her. My prayers for comfort for her family.

“ Ms. Bell had such a positive spirit. If you weren't in the best mood, all you had to do is see Ms. Bell for a moment and you were instantly lifted up. We often talked about shoes of all things because we had similar taste. She also often spoke of her children as she was very proud of them. My heart goes out to you and sending comforting prayers your way.

“ So Sorry for the loss of our Dear Ms. Bell. My thoughts and Prayers go out to her friends and family. She loved my Potato Soup and always looked forward to the winter season when I would bring her a bowl for her supper. She was always complimentary of me and always made me feel like I was a true friend to her. She was truly a Blessing in my life and I always enjoyed seeing her on the first floor of the Federal Bldg. Her contagious smile and positive personality will be missed. I have been blessed by knowing her and will never eat potato soup again without thinking of her and thanking God that she had touched my life.

“ Deepest sympathies to Ms. Bell's family and friends. She was always so kind and friendly; never walking past without asking how my grandbabies were doing and sharing stories of her family. In this life you are blessed to meet certain people who just radiate God's light from within, and Ms. Bell was one of those individuals. May God comfort you in this time of loss, but rest easy in knowing that she is in His presence now. I'll miss you Ms. Bell.

“ Ms. Bell's kind words and the love she spread will be missed. She was always so encouraging and kind. I would see her reading her bible in the mornings in the break room before work. She always worked hard, but more importantly took the time to be kind to anyone who crossed her path. She was such an example of a Godly woman. I hope that you can find comfort in memories of her. Prayers for your family.

“ Ms. Bell was such a beautiful lady inside and out. There was never a day that you passed her in the building hallways that should would not say "Happy" to every day of the week. She had such an amazing heart and smile that was contagious! In addition, she blessed us everyday with her presence. She will truly be missed by all and sending many prayers, love and comfort to her family and friends!

“ Very sad to hear of the passing of Ms. Bell. Just the other day I met her in the hallway and said hello to her. She replied with her always upbeat "Happy Monday to you and have a blessed day". You could always count on her to make you smile as she did with everyone she met. I'm sure she is going around Heaven right now meeting everyone and spreading her love.

“ Beautiful Lady! Every time I saw her we would share hugs, smiles and so much laughter. I will always cherish her in my heart and soul. I am so blessed to have been in her presence for she truly loved God and her family!.

We shared a Sunday service together and she was so happy to see me and as we sat next to each other I could feel the welcoming presence of her joy of me being there. As we shared the songs and prayers in worship we looked at each other and I felt her loving spirit before our Lord and Savior.

“ I was so sad to hear of the loss of Ms. Bell as we called her here at the Federal Building. She was definitely a very hard worker and was extremely proud of her children as we heard many stories of their accomplishments throughout the years. We will definitely miss seeing her here in the building. Prayers for the family.
