“ *Ben has been a part of my family since the day that we met. He was and still is my brother and BEST FRIEND from the beginning starting from Old Phillis Wheatley through Central High and Jackson State. We have laughed, cried and celebrated our lives together all of these years. We talked and prayed about the love that we shared in our faith in Jesus Christ all the way to the end. I know I'll see my friend again and so will you through our Lord and Savior! Much love to his loving wife Natalie and the family. May God Bless and Comfort you in the loss of our beloved Ben.*

“ *Mr. Ben*

You and your wife were very special people in my life. I worked with you at Park Duvalle Community Health Center and I never met such a beautiful person and a very intellectual person as our self, you invited me and my son to the dirt bowl but I was too shy to attend: but I will attend every opportunity possible.

Love You from Lena and Scott

Mr. Ben
