Sister Bernice was a dear heart. I remember her well. I am so sorry i missed the announcement. Whenever I wear my Egyptian necklace i think of her . Always kind and the same. And we can always appreciate people like that. She cannot tell her life's story without including us. Much love

“ My heart is truly broken. I remember meeting momma Bernice the first time with my dear friend her daughter Mona (RIH). She took me in like a daughter and I been calling her momma Bernice since. She defined class. Her kind heart and smile will be missed by those who knew her. I want to thank my late friend Mona for introducing and sharing her mother with me. Heaven gained a new angel. Both Mona and Ms. Bernice will always hold a special place in my heart.
