“ Well, my sister, I am still here missing you especially on Sunday and try to leave a place for you right next to me where you sat each Sunday. Although I try to leave a physical space for you, my heart is the very special place that you will forever remain. Thinking about how you made others laugh when we offered condolences to Thomas and other times which caused me to laugh, but not like that laughter! It seems totally UNIMAGINABLE! if I get it right, or better, and when I fulfill my mission on this earth, I too, will have the opportunity to be with you, mom, dad Mary, Reginald, and all my relatives who have gone before. I feel your presence here with me and I thank God for you watching over me. I just wish I'd gotten more instruction from you BUT you always thought I was the one bearing the knowledge...NOT so! This is Thanksgiving week without your meal! Without you ! Love you more than I ever told you!

“ Bertha and I met at Kentucky State University many years ago while in Nursing School. We became Friends and I visited the Pendleton Home during that time. Out of touch for many years, we contacted one another in 2011. We planned to get together "for Lunch" in April. She was a beautiful person. My heartfelt Sympathy to her Family as you Mourn the loss of one so Dear. I will always remember how very kind she and her Mom were to me.

“ *To all of Bertha's family, I worked with Bertha at Jewish Hospital for many years. I knew her as a young nurse and worked in the same department with her near her retirement. Bertha was always a pleasure to work with, had a strong work ethic and a compassionate and caring kindness with her patients. She was liked and admired by her coworkers and colleagues. God bless you and bring you peace during this difficult time. Bertha will be remembered fondly by many people and friends. She has been rewarded in heaven by a life lived well.*
