“ I had the pleasure of working with Miss Betty at Sears years ago. We had so much fun every single day! She was such a kind hearted woman. Several years passed and our lives crossed paths again when we worked at Startek. We normally got a chance to catch up once a week or so. She touched so many lives & will be greatly missed. RIP Miss Betty Bailey fly high with the Angels...

“ Betty was a special lady. She was never lost for words. It was a pleasure knowing her and doing her hair all those years. We shared so many laughs and conversations together. It was also a pleasure getting to know her family. She loved people and especially loved her grandchildren. I learned a lot from Betty. She will be missed. My prayers go out to the family.

She knew my wife before when she worked at Sears. We met at Accent in New Albany. We will miss her greatly. Our prayers go out to the family that God will continue to comfort and encourage your hearts to always treat people like Ms. Betty did with kindness. RIP love you Ms. Betty.

“ My ol' G is what I use to call you . True definition of a phenomenal woman. Always thought of others. Never let anything hinder nor defined you . You were a woman of many trades. You served your country. You were the one who sparked my craftiness. From the little trinkets you made to the scarfs you made every year for Christmas for the homeless . Very wise soul . I'm definitely gonna miss you ol' G . Love you Ms. Betty ? Charlita
