“*Mrs. Betty you were truly a great person! Even though I never had a chance to actually meet you in person, I enjoyed our FaceTime conversations with Sheila! You made my mom very happy because you loved her lemon pound cake! I pray that the LORD will continue to keep your family in his care!*

To the family: Lord please Provide them with understanding, strength, and endurance! As these are definitely difficult times, but remember prayer and love for each other is the answer!
