“ Bishop Ford,
I will always remember your kindness. You and First Lady Ford were always so nice to me. And that what I appreciated about the church under your leadership. God knows I am not perfect, but one thing I always took away from you all was to always be kind. You are deeply missed.

“ *I will always remember and appreciate my Bishop. When I was going through my illness (1) Bishop visited me and I was touched by his presence and he gave me Holy Communion (2) when I was on life support “Ventilator “ when I awakened my Bishop was right there and was praying for me (3) Bishop gave me the most beautiful placks Mahogany Wood for me and my b-Lated brother. We was baptized on the day and it wasn't planning for us to be baptized at the same time and place, but after hearing Bishop sermon that day our lives changed. All Glory To God And My Bishop Doc Micheal Eugene Ford Sr..*
I'm praying for the Ford family for God to comfort them in the upcoming days and give them Devine Peace .
