“ Aunt Bonnie was the glue that held many of members of the Badger Family together. She, and Javon always took the time out to come and visit us in South Carolina. Aunt Bonnie never wanted anything in return except for the family to love each other. She was always in my mind, and in heart. Aunt Bonnie was my mother that I had lost long ago. She would always take the time to talk to me about my own struggles. She's gone, but will never be forgotten. She is with our Father now, and doesn't have to stress anymore. I love you Aunt Bonnie.
