“ *Thoughts and prayers to the family of Brianna. We are so thankful that she was part of the Olmsted South family. She was a quiet student but her teachers and administrators recall her shy smile and the quiet manner in which she focused on her daily work. The students and faculty thank you for sharing her with us for a little while. As humans, we don't understand or see the plan God has but know that He has purpose in all that He does. May you be comforted in knowing that He will provide you strength for the times to come. Angela Allen, Principal, Olmsted Academy South*
