“ To the Hammond and Kennerly families: My deepest sympathy goes out to all of you. Its not easy to be left behind, especially when your loved ones keep going ahead of you. God who is the creator and sustainer of life knows how frail we are. Thats why he sent a savior who understands all our needs. One who made it possible for us to continue living with joy and hope to see our loved ones again. Be strong, and be of good cheer for we will meet again on the other side.
