“ I knew Burdett as a musician and friend. We played in both the Leonard Fields Orchestra and Maximus together. I was also fortunate to know him in a social context, in the Reunity Club and even to visit his home. I do have some fine photos of Burdett here at my business from the various ensembles that he played in over the years, at such places as The Trianon Club (with Ted Wade's band 1949), the Fred (Buddy) Stith Band (1948) and the Gerald Ballew band (late 1940s). A genuine pleasure knowing and working with Burdett over the years. A fine man, musician and band leader. Gary Falk [gfolk@aye.net](mailto:gfolk@aye.net)
