“ *For it is not how long, but how well one spends their time on this terrestrial planet. You were full of enthusiasm in whatever you put your hands to, obedient to all who crossed your path whether young or old. You always kept your smile in spite of the challenges of life. We know heaven is experiencing another warm presence because of you. Keep resting in the bosom of our Lord and Savior Jesus, until we meet again. We love you but God loves you more.*

“ Your laughter, the touch and gentle embrace, now it’s all memories 🙄😞😭, sadly your absence feels like an empty room and it breaks my heart 💔, my grieving heart hurts in cry 😭. Seeing your pictures I feel your absence, the pain of losing you.

Gonna cherish every moment by holding on to these memories forever.

Your first words to me was courage and the following helped to push me where I’m at today and won’t stop.

My condolences 🌸 to the entire family, may God comfort you’ll always and bestow joy unspeakable in your family. 🙏
