“ *May the peace of the lord that surpasses all understanding be with Carla's Family now and forever. My deepest condolences go out to Carla's family during this trying time. I grew up knowing Carla and her family. I went to grade school with Carla, during that time and to my young mind, I never knew a girl that could run so fast. I recall her strong will and spirit that lead us to win many races on the track field. I am sure that same strong will forged a path and example for others and especially for her kids. I know that her presence will be missed on this plane of existence. Rest in Peace dear friend.*
