“ So many things I didn't get to say while you were with us, but I will never forget the things you taught me about being a woman & being a mother to my own seed. I'ma miss you beyond belief, no matter what we've been through, i never stopped loving you, always cared and you ALWAYS mattered to me. I'll probably never recover from this but that fact that you're at peace means more to me than you'll ever know, i love you mama, til we meet again.#thebabyDemitria #Meats #onlymamacancallmethat
