“ Carol is like my parallel mother meaning she and my Mom are both named Carol, they both had kids on 1968 (one boy & one girl), one serious the other lighthearted & both love a good laugh. Definitely missed her at the parties but she left a super impression on my wife & kids. We love you Carol.

“ God is always in control, knows best and truly knows how much we can bear. I am truly saddened by the news of Ms. Carol's passing and immediately began to pray. I will always remember a warm and gentle soul all the way back to my grade school years with Tonya. I love the family as a whole and pray for their strength to endure.
