“ Pookie we are sorry to here about the loss of Carol it's been a long time since I've seen her, but she was a wonderful lady. I'll remember her smile & the memories of being neighbors from back in the day. Prayers for the family. God bless love to all. Panetta & the Greene Family

“ Carol put me on the path to study business administration. She suggested that I attend her alma mater, Ahrens High School. I did, and I'm so glad that I thanked her and let her know she was a mentor in my life. Had it not been for her guidance, I don't know if I would have reached my goal. Thank you, again.
