“ My Condolences to Ms. Carol's Family. I only met her when she was directing the traffic at St. Stephen. She would always compliment me on how nice I looked and we would have casual conversations. Her smile was contagious. I remember seeing her in Vegas at her Nieces Wedding and she was trying to teach me a Line dance. I was sitting by myself and she said to come and join in. It's the small things that people do, that can mean so Much! What an opportunity it was for me to meet such a Classy Lady! No more pain!! 🙏🌹

“ I met Carol when I joined the Louisville Police Department. She was one of the first black female officers hired by the Louisville Police Department. She was truly an inspiration. We worked several events together. Although she was small in stature she didn't take any junk off anyone! She also worked for the Sheriff's Office and was a part of the NAACP SECURITY TEAM for the National Conference! I remember when she recruited me to be a part of the Security Team in 1998 and it was an amazing experience! Carol was a Crime Prevention Officer 🚔, DARE Officer, she taught Driving School, and she worked as a Security Officer at the Simmons College Dorm! She was a Jane of all trades and enjoyed everything she did!!!!

Thank you Carol for all you did for this community! You served the Lord, this community, and your Family well! If you knew her, you know she truly LOVED HER LORD AND SAVIOR & HER FAMILY! She also Loved doing things for others!

I'm gonna Miss you Big Sis! 😭🙏❤️

“ Carol was a very loving and unique person. Once getting to know Carol I found her to be the kind of person that one could not help but love and appreciate. Please know that my thoughts and prayers are with Malcolm, Dee and the entire Shobe family.

Remember that to be absent from the body is to be present with the Lord.

“ Carole and I attended High School together. She was so beautiful, and I loved to hear her laugh. She was so kind and loving to everyone. We would walk home from somewhere I don't quite remember, and Carol would tell us she was afraid of the dark. When she decided to be a cop and not a lawyer, which she said was her career choice, I remember wondering: if you are afraid of the dark, why so go there come up with a bunch of junk on the card are you an officer? Well, I guess two completely different things for you don't have to be in the dark to be a police officer. I moved out of state, and we only caught up at class reunions. She still had that beautiful face and that contagious laugh. I am praying for her family.

“ Carol was and always will be one of my dearest friends. She babysat for myself and my siblings more than 60 years ago. She was a beautiful woman inside and out. When I was troubled, she was there to comfort me and lend an ear. I cherished every moment I ever spent with her as well as the time I spent with her son and daughter, Malcolm and DD. Her entire family was very special to me and my family growing up. My sincere condolences go to her family, and may she rest in peace, and be free of pain and suffering in heaven.
