“ I love Miss Carolyn, she was like a mother to me. She was so nice to me, she always helped me out in the store she always helped me with my coupons. I would spend half my day in cvs talking with her in-between her waiting on customers. This breaks my heart. She was a beautiful wonderful powerful soul. She treated everyone equal and loved everyone. I could go on and on about how wonderful Miss.Carolyn is but I'm sure you all know. Until we meet again fly high my love.

“ I have sooo many amazing memories in my heart for the joy and laughter that my dear cousin brought to us all. Everyone knew when Carolyn was in the room and we expected and waited for her to control the energy. Heaven has another angel that loves God and her family. Blessings to all of us that feel the loss of her physical presence but now that she is with God and our family that went to heaven before us....she will bring them together even more to look after us that are still waiting to be in his presence. Stevie, your moms left a legacy of love and joy. Physical loss can be devastating for a night, but there is joy in the mornings after. I have learned to not put a question mark where God has put a period, and you will too.

“ *Carolyn by far was the most funniest in her family. Her humor would always light up a room or gathering. My fondest memory is when Carolyn would come home on Friday evenings she would cook us fish, fries, and baked beans and it tasted like we were in a restaurant. I looked forward to every Friday... I have yet to find anyone who cook create that meal like Carolyn.*

“ Carolyn, was a resilient warrior. She fought through her sickness. She was one of the hardest working people I know. She always kept it real and didn't have time for foolishness. She always said what she meant and meant what she said. She was a petite powerhouse. But beneath all that was a heart of gold. She was always helping others whether it was serving food at my wedding, helping at the church or helping family members. She had that big bright smile that made you smile right back at her. Thank you for being you Carolyn. I love you and will miss you. Rest in peace. ❤️
