“ Mommy, today and tomorrow is going to be hard for us.. we loved you with everything we had in us. Daddy misses you like crazy. I wanted you to know you were the bravest person on the planet. You were the best mommy anyone could hope for. I know you are smiling down from heaven but I wanted to thank you for being you. You loved us unconditionally and you taught us how to be strong. I am so blessed that I could be there for you. I know you were worried about leaving Daddy but I promise you we will always take care of Daddy. I love you so much mom and I miss your voice. I miss everything about you. I just want you back here w us Mom but I know God wanted you home. Rest easy ok? Tell Daisy, Aunt Hester, both my grandmas, uncle nick and uncle Nathaniel I said hello and that I love them all.
