“ I worked with Carolyn at the Office of Personnel Management and at the Corps of Engineers. She was fiesty, fun loving and kind. Once she had her son, Ray Jay as she called him, he was the love of her life. She talked about him all the time. She was a pleasure, and so glad that I had the chance to know her! She and her family are in my prayers. Deepest sympathy, Linda Newton, Louisville, KY

“ Oh How Carolyn will truly be missed!!she was such a sweet caring person always willing to help when and wherever she can. Carolyn was my sister In- Law and was very supportive in the family, she never forgot a birthday or anniversary of mines even though or birthday was five days apart she would always call me and say happy birthday sister in law. Carolyn and I go way back in school days before she married my brother in law Ray Marshall but when she married Ray she was Extremely happy and brought my handsome nephew into the world Ray J. Whom she simply adored and nothing could come between her and her son. I must say rest on my sister in the Pearly Gates of Heaven Ray and the grandchildren will be alright because God and you will continue to watch over them, but we going to miss you and we know God knows what's best until we see you again.
Love You Always 🙏
