“ To my dear sister Cathy: It's hard to believe it's been nearly three decades since we first met. I am so grateful that being your nail tech turned into being your family. I'll miss those check-in texts that always brightened my day. Thank you for 29 years of friendship. Rest well." Love Joy!

“ I was blessed to know Ms. Dean for many years, working with Dr. Piracha. She truly was one of my most favorite patients. She and I would always compare our nail designs whenever she would come into the office. And she sure did love Dr. Piracha. May God comfort your family during this time. She surely will be missed.
