“ *To the entire Prewitt family, please accept our condolences, sympathy, and prayers for the loss of your beloved mother, Mrs. Catherine. We have been neighbors, friends, and like family for as long as we can remember. We all learned the lessons of faith, family, and hard work from our parents. They were our heroes and heroines. We looked up to them. We respected them. We did not want to disappoint them. And that means all of the parents in the community, not just our own. We knew that any one of them had our back. Mrs. Catherine was always so nice to all of us old rusty boys running up and down that gravel road. We probably gave all the mothers a few extra gray hairs back then. “Rely on God. Trust in Him. Praise Him. Call Him continually to mind. He turns trouble into ease, sorrow into solace, and toil into utter peace. He verily has dominion over all things.”I just want you to know that we are thinking about every one of you during this difficult time. We love you all. You are in our prayers.*

“ David, my close friend since 1st grade, Anna, my sister/UT Martin buddy, Jessie, my TSU/Nashville home girl, Ida and Reo, my "sheros" in education, Liz and Chris, our twins' babysitters/Bolton sidekick, and THE ENTIRE PREWITT/PRUIETT FAMILY: Ms. Catherine held a special place in my heart, and she knew it. During our many conversations by phone or in person, she always told me how much she loved me, and how I reminded her of my deceased mom, Almeda Oliver Cannon. They were childhood friends, pregnant-at-the-same-time moms, wives of hard working husbands, and just look how God blessed so many of THEIR children to also be friends for a lifetime! She was SO PROUD of her children, grandchildren, and extended children from near and far! Family, be assured that my We (The Cannon/Luster Families) are just a prayer away!

“ John Abert, Ida, Virginia, Jessie and the rest of Catherine's Children: You certainly will miss your mom for the rest of your lives, but you have the memories of the many years of good times you shared with her. A smile will come to your face, when you remember a special dish she used to cook, or something she used to say. Embrace these memories and she will smile on you through eternity.
