“ *I didn't get to say goodbye to an important part of my life, without you I wouldn't be here. Me loosing you in the way I did taught me a valuable lesson in life. I vowed to never be in a position where I won't be able to see someone I loved so dear for the last time, to get that last hugg, or a last kiss on the cheek, or to hear them for the last time or just be able to see you or another that I love. So this is not the way I wanted, but Vick I'm so sorry I couldn't make it but I love you to death and you left a mark on my life that will never go away. And I don't want it to you are my great grandmother one of life's hidden figures only those close to you knew your special abilities and how great of a woman you was, so with that being said I Love You Forever and always (VICK) LOVE YOUR GRANDSON (DINK).. RIP Vick..*
